### Prepare for Summer Moving Season

The summer moving season is now upon us, which means local agents are stretched very thin. At the moving member's discretion and request, the moving company will often agree to work until the job is finished rather than come back the next day. This could mean the packers work late into the evening, perhaps extending into established quiet hours. Be courteous and patient with your PCSing neighbors during this crunch so all tasks can be completed according to schedule. Concerns? Call Tom Bonvechio, 0711-729-2452.

### PAHS Seniors Win Scholarships

The Stuttgart Community Scholarship Council has awarded scholarships to the following outstanding Patch High School seniors: Jocelyn Beyer, Allison Pace, Laurel McCellan, Michele Abraminko, Kyle Parker, Victoria McMillin, Shaun Lee, Eddie Iiams, Derek Harris, Christopher

Lasher, Lauren Smith, Amy Lee, Amber Shinskie and Lori Prince.

These scholarships have been funded by Robinson Barracks Thrift Shop profits and generous donations from the Stuttgart Officers' and Civilian Spouses' Club. Congratulations to all!

### Fire Warden Training

Beginning July 1, 6th Area Support Group Fire and Emergency Services will continue Building Fire Warden Training Classes for the 4th quarter. All three-hour sessions, offered both mornings and afternoons, will be held at the Stuttgart Army Airfield in Echterdingen. This training is mandatory for all building coordinators/fire wardens. For dates, times and registration information call Len Fagan, 0711-729-2086, or e-mail ([faganl@6asg.army.mil](mailto:faganl@6asg.army.mil)).

### Cold War Recognition Certificates

All members of the Armed Forces and qualified federal government civilian personnel may be eligible for a Cold War Recognition Certificate. Get the facts by visiting the Web site, [www.chrma.hqusareur.army.mil](http://www.chrma.hqusareur.army.mil), and clicking on the "news" section.

### CPSC Recalls Bikes, Scarves, Grills

In cooperation with the Consumer Product Safety Board, Dynacraft Industries Inc. is recalling about 500 *mountain bikes*, specifically Coleman CM 2100 men's and women's 21-speed mountain bikes, for repair. The problem is with the front wheel, which could fall off while the bike is being ridden due to a faulty quick-release mechanism. No incidents or injuries have been reported.

Tie Rack Inc. is voluntarily recalling about 1,170 sheer *silk scarves* after learning that they fail to meet federal mandatory standards for fabric

flammability. As a result, the scarves could ignite, presenting serious risk of burn injuries. No incidents or injuries have been reported.

And finally, Kmart is recalling its Tru-Burn Portable LP gas grills due to a bad burner manifold connection, which causes it to separate during use. The grill has a black porcelain paint finish with two chrome-painted wire steel legs.

For further product descriptions or to find out about the next steps visit the CPSC's Web site, [www.cpsc.gov](http://www.cpsc.gov).

### Aid American Troops in Albania

Would you like to help the troops down range? Bring some comforts of home for soldiers deployed to Albania by donating powdered drink mixes, coffee (cans or bags), crackers, cookies, chips, pop tarts, cheese whiz, candy and other non-food items such as bug spray and foot powder. Then just drop off donations at the American Red Cross office, building 2949 on Panzer Kaserne, 2<sup>nd</sup> floor, or mail them directly to Albania via MPS to: American Red Cross; G1, V Corps (Forward), Task Force Hawk, APO AE 09348-0001. Those who live at Robinson Barracks can give their donations to American Red Cross volunteer Karen Horwitz, 0711-856-9294.

### 1999 Savings Bond Campaign

Take advantage of a great opportunity to buy a piece of your future and buy bonds. For more information on the 1999 Savings Bond Campaign going on through June 30 call SSgt. Annette Collins, 0711-729-2452.

### PCS Lodging Reservations

Due to the necessity of providing lodging for all augmentees arriving in Stuttgart, availability of rooms for PCSing personnel will be very scarce. Individuals must first call the Swabian Inn and check; however, chances are likely that they'll be given a Certificate of Non-Availability number, allowing them to make a reservation at a local hotel.
